## About the book

Bringing together over 70 authors from private practice, government, and academia, this 1,500-page commentary on the ICSID Convention, Regulations and Rules offers a new, forward-looking and highly practical interpretation of the convention and its associated documents. It is the first commentary to provide systematic article-by-article coverage not only of the Convention itself, but also of the institution rules, the ICSID arbitration rules, and the ICSID administrative and financial regulations.

*Co-Editors: Julien Fouret, Rémy Gerbay,  
Gloria M. Alvarez, and Assistant Editor Denis Parchajev*
